

MONTHLY AGGIE

Day Out in the Big City!

The club is sponsoring a day trip to Kansas City on Thursday November 9th. Schedule of events include visiting the K.C. Board of Trade, Boulevard Brewing Company and the Federal Reserve Bank of K.C. A charter bus will be transporting the group and will depart behind Waters Hall at 6:00 am, but don't worry breakfast will be provided! There will be a limit of 50 people with priority to club members. The cost will be \$5 for members and \$15 for non-members, plus money for lunch. Return time will be around 6:00 pm. This will be a great chance to meet other members and get to know the industry.

AgEcon Student of the Month

David Widmar, October Student of the Month

David Widmar is the October Student of the Month. He is a sophomore majoring in Agriculture Economics with a specialty option in Agronomy. David grew up on a small farm in Southeast Kansas, near Girard. The activities that he is involved in include NAMA, Ag Council, and AgEcon Quiz Bowl. His NAMA team took 1st place at Nationals in 2006. David's future career goals include getting his masters and someday returning home to farm. Congratulations David and thanks for your dedication to the Club!

Remember to pay your \$10 dues if you have not yet done so. Also, we are always welcoming new members, so get your friends to join too!
